

# SAFE AT THE REMADAYS 2021!

## INFORMATION FOR EXHIBITORS

We have prepared a list of good practices that will help exhibitors prepare a safe stand for the RemaDays 2021 trade fair. Together we can effectively protect ourselves and visitors to the fair!

### WE CARE ABOUT YOUR SAFETY:

temperature measurement  
at the entrance

wider alleyways

limitation of the number  
of people

disinfection  
of the facility

medical  
point

air circulation

possibility to purchase  
personal protective equipment

### GUIDELINES FOR VISITORS:

disinfect  
the stand

maintain  
social distance

provide personal protective equipment  
for employees and stand staff

check  
the health of staff

### HELP US TO ENSURE SAFETY:

register online

frequently disinfect hands

avoid shaking hands  
cash

choose non-payments
